2024 Conference

Last year, our 2024 ONYL Emerge Conference saw an impressive turnout with over 100 participants, and 25 speakers and committee members. Attendees included CEOs, management, and front-line employees from 24 credit unions and 11 system partners. This year we are expanding our conference offering from one and a half days to two full days! These information-packed days will feature interactive workshops, and keynote speakers from both within and outside the credit union system, and panel discussions.
